

## **AUTUMN FOOTBALL FIVE5**

### **How to register:**

1. Press registration open button
2. Select new team registration (once already be signed in to Squadi)
3. Select the Registration Age Group the team is wanting to compete in
4. Press Sign Up to Competition- please register to a league that suits your ability
5. Complete Participant Details and put in your team's name. At this step, the nominated team manager can invite all the players who will be participating in the team. Once a player is invited to the team, the individual will be able to register. Should the team manager not add players at this step, the team manager can invite them in later, after the team has been created.
6. Complete additional information and press sign up to competition
7. Agree to the T&Cs and press continue
8. Press Submit
